MEMORANDUM

Date: November 1, 2021

To: Wildlife Board and Regional Advisory Council Members

From: Covy Jones, Big Game Coordinator

Subject: 2022 big game proposed season dates

The attached documents summarize the DWR's recommended changes to the big game guidebook.

Big game season dates:

See attached tables for details.

Big game guidebook recommendations by species:

Deer

1. New hunt:
 - a. South Slope, Myton late season, limited-entry muzzleloader hunt (Nov. 12–27, 2022)
 - i. This hunt recommendation is to help control prevalence of CWD in accordance with the statewide CWD plan.
 - b. Box Elder, West Bear River extended archery hunt (Sept. 17– Nov. 30, 2022)

Pronghorn

1. New hunts:
 - a. South Slope, Vernal muzzleloader (Sept. 28–Oct. 6, 2022)

Boundary descriptions for new hunts — and boundary changes for existing hunts — are included in the packet.
